TELECOMMUNITY PERMISSION SLIP
2014 - 2015 Fall/Spring/Summer

We ask the parents/guardians of students under the age of 18 sign the permission slip below, acknowledging that they understand what participating in TeleCommunity involves.

Participation in TeleCommunity includes walking between several buildings and facilities on the Duquesne University Campus and working on activities outside the supervised computer lab. For example, students may leave the lab to take digital photographs for their projects, or to purchase a snack from campus food facilities.

If students are responsible enough to handle trips away from the computer, we will give them the privilege of doing so. Students who are not responsible will be required to stay inside the building.

Please know that students who leave the computer lab will still be supervised by a member of the TeleCommunity team.

Please read, complete and sign the permission slip. We need a hard copy slip for each student who participates. Permission slips must be turned in on a student's first day of TeleCommunity studio. A new permission slip is required for each term (fall/spring sessions and summer sessions).

If you have any questions, feel free to contact us by email at connect@telecommunity.org. Or call Marjorie Rishel (Lead Teacher/Coordinator) at 412-867-6711 or Robert Dunn (Director) at 412-841-2943.

Thank you.
